

Technical Data Sheet

SFG Organic Jojoba Oil

Simmondsia Chinensis (Jojoba) Seed Oil
CAS# 90045-98-0

Description

SFG Organic Jojoba Oil is a premium organic oil that undergoes a series of processes from planting to harvesting and first cold-pressing in Peru. Afterward, it is purified using Sunfine Global's advanced refining process in Korea.

Specifications

| Item | Specification |
|-------------------------|------------------|
| Appearance | Yellowish liquid |
| Specific gravity (20°C) | 0.850 ~ 0.880 |
| Refractive index (°) | 1.440 ~ 1.480 |
| Acid value (mgKOH/g) | ≤ 5.0 |
| Peroxide value (meq/kg) | ≤ 10.0 |

Characteristic

This oil is lightweight and non-greasy, making it easy to absorb into the skin. Its silky texture leaves the skin feeling smooth and soft. Furthermore, it contains anti-inflammatory properties that can reduce redness and inflammation, making it beneficial for those with acne-prone skin.

With its abundance of vitamins, minerals, and essential fatty acids, this oil is ideal for moisturizing and softening the skin, regulating oil production, and promoting healthy hair growth. It has the unique ability to balance oil production in oily skin while simultaneously hydrating and protecting hair from damage.

In summary, it is a versatile and advantageous oil that supports overall skin and hair health.

Application

This oil is primarily utilized in the production of skincare and haircare products, including hand and eye creams, lotions, lipsticks, makeup removers, shampoos, conditioners, and hair tonics, etc.

Storage

It should be stored in a cool, dark place away from direct sunlight and heat sources.

The ideal storage temperature for jojoba oil should not exceed 50F / 10 °C.

Keep the bottle tightly closed when not in use to prevent oxidation and contamination.

Store according to local regulations, observing the precautions indicated on the label.

Shelf Life

2 years
