

Technical Data Sheet

SunPEP Multi-800

INCI Name

1,3-Butylene Glycol (and) Glycerin (and) 1,2-Hexanediol (and) Palmitoyl Dipeptide-7 (and) Palmitoyl Tripeptide-1 (and) Palmitoyl Tetrapeptide-7 (and) Palmitoyl Hexapeptide-12

CAS No.

107-88-0 (and) 56-81-5 (and) 6920-22-5 (and) 911813-90-6 (and) 147732-56-7 (and) 221227-05-0 (and) 171263-26-6

Feature

- Multi peptide effects
- Anti-Wrinkle
- Anti-Inflammation
- Easy to use (All-in-one)

Description

SunPEP Multi-800 is specially designed synthetic non-animal lipo-peptides complex composed of miniature fragments of skin protein. This product facilitates easy skin penetration and superior anti-aging effects in various cosmetic applications.

Specifications

Item	Specification
Appearance	Viscous liquid
Odour	Characteristic
Peptide content (ppm, by HPLC)	≥ 800
pH	5.75 ~ 7.5

Storage

Protect from sunlight. Store in a well-ventilated place.
Store in a closed container. Shake well before use.

Shelf Life

2 years
